

Center For Integrated Training & Education

Diane Burke - Assistant Director

October 2020

Dear Colleague:

Thank you for your interest in the 24 credit Administration Certification Program being offered by the College of Saint Rose and the Center for Integrated Training & Education/CITE. This program is being offered in Brooklyn, Nassau and Westchester and, if there is enough demand, in Suffolk County starting in January 2021.

Enclosed please find application materials and an outline of the program being offered. You **MUST fill out the application page on line** at www.strose.edu/CITE. You can mail or upload all remaining paperwork to the college but you must fill out the actual **application page online**. You must click the SUBMIT button once you fill out the application form online. You don't have to have all application materials there to hit Submit. Please click it as soon as you fill out the 'application page', this way the college will know you are applying.

Tuition payments (\$1095) are due, course by course, on the first day of each class listed, with the exception of the first course, this is sent to the CITE office. The first day of class is either January 30 or 31. Payment for the textbook website will be paid to CITE in 2 installments, \$250 prior to the first course & \$250 on the first day of the second course. There will be an approximate \$250 in additional non-Pearson texts that will have to be purchased. This is still much cheaper than buying all the texts on your own.

Students cannot miss the first day of any course. If you are unable to attend the first day of the first course, you must start with the next cohort. You can never miss the first day of class.

You are asked to submit the application and all requested materials as soon as possible, but certainly by the deadline date of **Friday, January 15 by 5pm**. The earlier you submit your application the better the chance you will have to attend the location of your choice. So please submit your application as soon as possible. **Please note: All paperwork must be at college by the deadline for your application to be reviewed.**

Sincerely,

Diane Burke
Assistant Director/CITE

Meningococcal Meningitis Information

The College of Saint Rose is required to maintain a record of the following for each student:

- A response to receipt of meningococcal disease and vaccine information signed by the student or student's parent or guardian
AND EITHER
- A record of meningococcal immunization within the past 5 years; OR
- An acknowledgement of meningococcal disease risks and refusal of meningococcal immunization signed by the student or student's parent or guardian.

Meningococcal disease is rare. However, when it strikes, its flu-like symptoms make diagnosis difficult. Meningococcal disease can cause serious illnesses such as infection of the lining of the brain and spinal column (meningitis) or blood infections (sepsis). The disease strikes quickly and can lead to severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation and even lead to death.

Meningococcal disease can be easily spread from person-to-person by coughing, sharing beverages or eating utensils, kissing, or spending time in close contact with someone who is sick or who carries the bacteria. People can spread the bacteria that cause meningococcal disease even before they know they are sick. There have been several outbreaks of meningococcal disease at college campuses across the United States.

The single best way to prevent meningococcal disease is to be vaccinated. The meningococcal ACWY (MenACWY) vaccine protects against four major strains of bacteria which cause about two-thirds of meningococcal disease in the United States (U.S.). The MenACWY vaccine is recommended for all U.S. teenagers and young adults up to age 21 years. Protection from the MenACWY vaccine is estimated to last about 3 to 5 years, so young adults who received the MenACWY vaccine before their 16th birthday should get a booster dose before entering college. The meningococcal B (MenB) vaccine protects against a fifth type of meningococcal disease, which accounts for about one-third of cases in the U.S. Young adults aged 16 through 23 years may choose to receive the MenB vaccine series. They should discuss the MenB vaccine with a healthcare provider.

All private insurance plans not grandfathered under the Affordable Care Act are required to cover the cost of MenACWY and MenB vaccines. Contact your health insurance plan to determine whether it covers MenACWY and MenB vaccines. The federal Vaccines for Children (VFC) and NYS Vaccines for Adults (VFA) programs will cover both MenACWY and MenB vaccines for children and adults who have no health insurance or whose health insurance does not cover these vaccines, as well as for children less than 19 years of age who are American Indian or Alaska Native or eligible for Medicaid or Child Health Plus.

The College of Saint Rose Health Service does not provide immunizations. Please check with your insurance provider to find participating locations and coverage. The vaccine is available through county health departments and locally at the Albany County Department of Health, 175 Green Street, Albany, NY 12202 Phone: (518) 447-4580. Prices range from \$18 to \$140 please call to verify eligibility.

To learn more about meningococcal disease and the vaccine, please feel free to contact our health service and/or consult your child's physician. You can also find information about meningococcal disease and the vaccine at the Centers for Disease Control and Prevention website at www.cdc.gov/meningococcal/ and the New York State Department of Health website at www.health.ny.gov/publications/2168.pdf.

Financial Aid for CITE Students

Financial Aid is available for CITE students enrolled in the Education Administration program in the form of an Unsubsidized Direct Federal Loan. Grant and scholarship funds from the College are not available for this program. More information about the unsubsidized loan is available on our website at www.strose.edu/finaid.

The following steps will assist you in the financial aid process:

1. Once you have been ACCEPTED into the CITE program you may then apply for financial aid by filing the FAFSA (Free Application for Federal Student Aid) at www.fafsa.gov.
School Code: 002705
2. The College of Saint Rose will receive the FAFSA once it has been processed by the federal government and determine your loan eligibility. Your award package will be mailed to you at the beginning of the program.
3. Students may accept awards either by signing and returning the award letter or by logging into the College's secure website
4. In addition, a Master Promissory Note must be completed for the loans. Log into www.studentloans.gov with your FAFSA ID and Pin. Once completed the College will receive the results within 1-2 business days. *Be sure to complete the Subsidized/Unsubsidized MPN, not the Graduate PLUS MPN.

Payments and Disbursements

Payment for each course is due at the beginning of each course regardless of financial aid status. Student loans are NOT disbursed prior to the start of the program (be prepared to pay for the first two courses). Financial aid will be disbursed after the start of the second course for each term. Once the College receives your loan funds, a check will be mailed directly to you. No payments for classes will be deducted from your check. Payment to CITE is solely the responsibility of the student.
